

UNIVERSITÀ DEGLI STUDI DI MILANO

Dipartimento di Scienze giuridiche “Cesare Beccaria”

## Course in Law, Culture and Development in a Global World

### Thematic Part

Green Rules, Green Economy, Green Lives and Social Inclusion:  
A New Culture for a Post-COVID Sustainability

**Professor Clara Santato**

**Canada Research Chair in Sustainable Organic Electronics:**

**Materials, Processes and Devices**

**Polytechnique Montréal (Canada)**

## Sustainable Electronics: New Challenges and Perspectives

25 November 2022, 12h30 p.m. Central European Time (CET)

Room 302, Via Festa del Perdono

(the speaker will be online)

**Organizer: Professor Lucia Bellucci (lucia.bellucci@unimi.it)**

The seminar will take place in blended mode, that is in presence in room 302, via Festa del Perdono 3, and in streaming on the Teams platform; as indicated above, the speaker will be online on the Teams platform while the professor will be in presence.

The access code to the virtual Teams classroom for Unimi participants is **rj7g9s1**.
